01

SSN or TIN Validation

SSN or TIN on IRS transcripts is validated by the SSA, making it useful for ITIN lending and SSN validation.

02

No IRS Fee

There is no IRS fee for 8821 data.

03

FCRA Compliance

NCS' TRV Services, which include NCS tax transcript products, are consumer reports governed by FCRA. This allows end users to make lending decisions based solely on transcript data.

04

FCRA Compliance

8821 transcript data and reports are available through NCS' existing integrations, including Encompass, Meridian Link Mortgage, and NCS' proprietary API.
